

A man and a woman in business attire are looking at a laptop in a modern office setting. The man is leaning over the desk, pointing at the screen, while the woman sits at the desk, smiling. The background shows a glass-walled office with modern lighting.

# QUALIFICATION : GIG 001

**Banking | Retail and Commercial**

November 2022 – January 2023

# QUALIFICATION : GIG 001 KEY WORD SEARCH: Unbundled Consulting, Corporate Finance Project, SME Support, Sydney, Financial Services

<b>Summary:</b> ICG to supply two Independent subject matter experts for an assurance project to provide additional technical expertise and a second set of eyes check.	
<b>Project description/approach</b>	<ul style="list-style-type: none"><li>• Confirming/ defining a complete list of possible corporate action types in the Australian market</li><li>• Confirming which of these corporate actions required action/participation by the holder/investor</li><li>• Review and provide comments on a current draft methodology for historic or implied values of certain corporate action types</li><li>• Report findings, comments, observations to the program assurance leader.</li></ul>
<b>Why ICG was needed</b>	<ul style="list-style-type: none"><li>• Client had a large and high-profile project that required additional corporate finance specialists, with a focus on financial markets and investment and corporations' valuations.</li><li>• The ability to gain additional support at short notice was invaluable to bolster project capability and deliver an excellent result.</li></ul>
<b>Impact delivered by ICG</b>	<ul style="list-style-type: none"><li>• Ability to quickly augment the team with additional proven SME capability and capacity that could hit the ground running in less than a week.</li></ul>
<b>Critical insights/new ICG IP available to new clients</b>	<ul style="list-style-type: none"><li>• No publishable IP, but our experts are now even more experienced.</li></ul>
<b>Client feedback “Would you use ICG again, and if differently, how?”</b>	<ul style="list-style-type: none"><li>• Yes, high quality SMEs, easy to work with, logistics were seamless to engage.</li></ul>
